# SRINIVAS FINE ARTS (P)LTD

ASIA'S FINEST PRINT & BOOK TECHNOLOGY HOUSE

Factory Unit Entry

## Who we are

Srinivas Fine Arts (P) Ltd is a name synonymous with the finest craftsmanship in the printing industry, with five decades of profound experience and has emerged as the paramount leader in Asia. Time is testament to the unparalleled success we have achieved with the core values of commitment, quality and integrity.

With Nightingale, our premium brand of high quality paper products along with unique concepts and creative designs, we have created a niche in the global market. Vedic Cosmos, a sub brand of Nightingale, is aimed at imparting traditional Indian wisdom to the young generation. With the vision of emerging as the premium innovative paper product manufacturing company, we are committed towards making continuous innovations.

With this brochure, I, welcome you to gain an insight into the spirit of our business & our core competencies.

R. Chockalingam  
Founder Chairman

# Product Development

A team of experienced creative heads, graphic designers, content writers and proof readers will ensure that we deliver world class designer products from our creative studio at Chennai.
